Responsibilities with Respect to Specified Reports

The Audit Committee is responsible for overseeing the receipt, retention and investigation of and response to all Reports, including if made by Stakeholders. Hecla's General Counsel is responsible for administering these procedures on behalf of Hecla.

The General Counsel will promptly forward to the Audit Committee any Report involving a Hecla senior officer or having a potential aggregate value exceeding \$10,000. In determining whether the Audit Committee or the General Counsel should be responsible for investigating such Report, the Audit Committee will consider all relevant facts and circumstances, including the identity of the alleged wrongdoer, the gravity of the alleged wrongdoing and the likelihood of a material adverse effect on Hecla's reputation or financial statements.

The General Counsel (or his or her respective designee) will investigate all other Reports. At the next scheduled Audit Committee meeting, the General Counsel will present a summary of all other Reports received. The General Counsel will provide such additional information regarding any Report as may be requested by the Audit Committee.

Treatment of Reports

In connection with the investigation of a Report, the Audit Committee and the General Counsel may consult with, and obtain the assistance of, any member of Hecla management who is not the subject of the Report. Additionally, independent legal, accounting or other advisors may be retained as necessary or appropriate.

Upon completion of the investigation of a Report, the General Counsel (or his or her respective designee) will update the Audit Committee of the outcome and prompt and appropriate corrective action shall be taken if the Report is substantiated.

Hecla may, in its reasonable discretion, determine not to commence an investigation if a Report contains only unspecified or broad allegations of wrongdoing without appropriate information support.

Follow-Up to Reports

The Audit Committee or General Counsel will update, to the extent appropriate and practicable, each person who files a Report to inform him or her of the status of the investigation.

Retaliation Prohibited

Consistent with Hecla's policies, neither Hecla, the Audit Committee nor any director, officer or employee of Hecla will retaliate, directly or indirectly, against any Hecla employee or Stakeholder who makes a Report in good faith or otherwise assists Hecla or any other person or group investigating a Report, including any governmental, regulatory or law enforcement body.

Neither Hecla, the Audit Committee nor any director, officer or employee of Hecla will (i) reveal the identity of any person who makes a Report and asks that his or her identity remain

confidential, unless compelled by judicial or other legal process, or (ii) make any effort to ascertain the identity of any person who makes a Report anonymously.

Records

The General Counsel (or his or her respective designee) will maintain a log of all Reports, tracking their receipt, investigation and resolution and the response to the person making the Report.

Hecla will retain all Reports and all records relating to such Reports in accordance with the applicable provisions of any applicable records retention policy.
